

# OPEN DAY SUCCESS!

Above: Alison and Annette manning the YNH stall

On Saturday 24<sup>th</sup> September we had our Autumn Open Day and it was a very successful day!

We set up a stall at the front of the clinic to give people the opportunity to see what was taking place, what we had to offer and the opportunity for anyone to ask any questions they may have had. We had on display our new Autumn YNH News magazine, copies available at reception, which features a wide range of articles from our practitioners, a treatment voucher and many other interesting things.

We held a free raffle which was very popular and we have indeed contacted the winner who will collect their free treatment when they wish. If you weren't our winner, we would like to thank you very much for entering and we will be holding a raffle next time so be sure to try again!

Tasters were very popular throughout the whole event and we hope that you found them interesting, positive and most importantly enjoyed them. Be sure to remember your £5 voucher when you book as a result of your taster. Talks were very well received and covered many different topics. We hope these answers your queries and that you gained some useful information through attending these.

Wishing you the best of health,

All at York Natural Health
